3 Ways to Unleash your Potential

Don't let a fear of negotiating get you stuck! I will guide you through my exclusive and effective system, which will leave you feeling prepared, confident, and excited to negotiate for everything you want in business and in life.

Drop the Mask: Remaining your authentic self while navigating the world of business

Don't leave your cultural background at the door! In this talk, I share my family's struggles as immigrants and describe how that experience shaped my understanding of the importance of remaining your true self in any negotiation. Particularly valuable for women in Corporate America.

Women in STEM

In this inspirational keynote speech, I redefine the STEM acronym into an approach participants can use to help them navigate through their personal and professional life (Stop, Think, Engage, Make Magic).

Praise for Elizabeth:

"Elizabeth is simply amazing! Her talk on Negotiation and Women at our Advancing Women in IS workshop was spot on. She made such an impression on our participants that I had people, who didn't even attend the event, coming up and saying that they heard it was fabulous and hoped it would be offered again so they could attend. I can't wait to have her back as well. Every time I hear her speak, I gain more insight into negotiating and how to do it right."
